& PERFORMANCE

RECTANGULAR PILLAR BENCH SCALE WITH URETHANE WHEEL

รับประกันค่าผิดพลาดน้ำหนักที่พิกัดและ
ค่าละเอียดเดียวกัน น้อยสุด ในท้องตลาด (เต็มพิกัด)
Guarantee weight error the same capacity /
resolution least in the market. (Full Capacity)

Features

- Steel construction
- Chechered steel cover
- High precision make scale 1/6000 - 1/30000 resolution
- Powder coating finish
- 2 urethane wheels with handle
- High Performance Single Point Load Cells are installed
- Japanese technology applied to all SDS load cell
- Support using around high humidity area
- Data sheet included

Size : 40x50 , 50x60 , 60x70 , 60x80
